Template

Scrum

Sprint toward your project goals with a modern board and backlog.

Tell me more Change template

☐ Connect work across your tools

Sync work from other tools so your team can easily access code, deployments, wiki, and more from your Jira project.

Create Close

Açılan pencereden Create seçilip proje epic ve summary description doldurulur. Create edilir.

The screenshot shows the Jira 'Create issue' form. Red annotations highlight the following elements:

- 1**: Points to the 'Create' button in the top navigation bar.
- 2**: Points to the 'Project' dropdown menu, which is set to 'Emir-Jira (EJ)'.
- 3**: Points to the 'Issue Type' dropdown menu, which is set to 'Epic'.
- 4**: Points to the 'Summary' and 'Description' text areas.

Buradaki bilgiler ve müteakip bilgiler için gelin excel dosyamıza bakalım:

	A	B	C	D	E	F	G	H	I	J
	USER STORIES	Issue ID	Feature/Title	User Story Description	Story Points	Sprint	Epic			
5		UCT00X	Unregistered user can view listed cars and their prices	As an unregistered user, I want to view listed cars So that I can see the features and the prices of cars.	5	1				
6		UCT00X	Unregistered user can register on website	As an unregistered user, I want to register on the website, So that I can buy the listed cars and sell my own car.	3	1				
7		UCT00X	Registered user can save his/her own car on the website	As a registered user, I want to save my cars on the website, So that I can get an instant valuation.	5	1				
8		UCT00X	Registered user can save the favorite advertisements	As a registered user, I want to save the favorite adverts, So that I can easily return to these adverts later.	3	2				
9		UCT00X	Registered user can save his/her searches to run again	As a registered user, I want to save my searches on the website, So that I can get notifications that match my search	5	2				
0		UCT00X	Registered user can create adverts to sell his/her car	As a registered user, I want to create advertisement, So that I can sell my own car.	8	2				
1		UCT00X	Registered user can save his/her personal and contact information	As a registered user, I want to save my personal and contact information, So that buyers and sellers can contact me.	8	3				
2		UCT00X	Registered users can send message to sellers	As a registered user, I want to send message to sellers, So that I can chat with sellers.	5	3				
3										
4										
5	BUGS	Issue ID	Summary	Bug Description	Priority	Sprint				
6		UCT00X	When clicking on registration, website crashes.	Website crashes each time when clicking on registration. Using the 10.26.99 build on a Win NT 4.0 (Service Pack 5) system.	Highest	3				
7		UCT00X	Unregistered users are not able to view the prices of the cars.	When in unregistered mode, being able to see all the feaures of the cars, but not able to view the prices. Need to fix this bug.	Highest	2

EB Epic

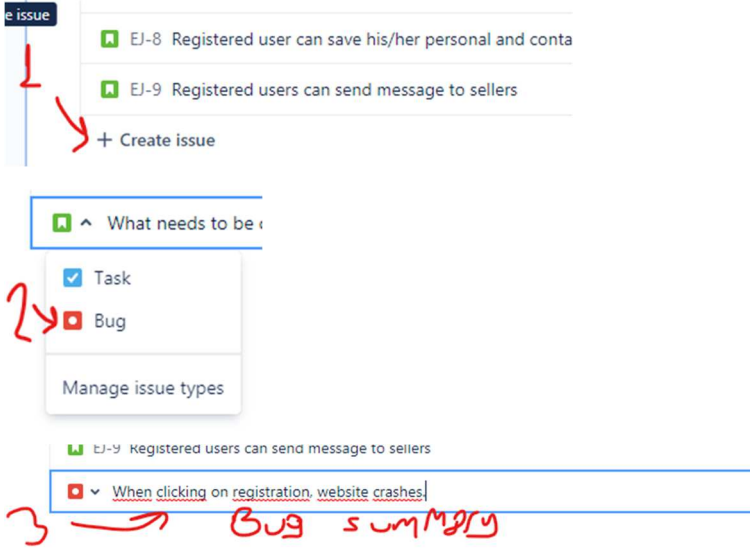

Backlog (8 issues)

- EJ-2 Unregistered user can view listed cars and their prices
- EJ-3 Unregistered user can register on website
- EJ-4 Registered user can save his/her own car on the website
- EJ-5 Registered user can save the favorite advertisements
- EJ-6 Registered user can save his/her searches to run again
- EJ-7 Registered user can create adverts to sell his/her car
- EJ-8 Registered user can save his/her personal and contact information
- EJ-9 Registered users can send message to sellers

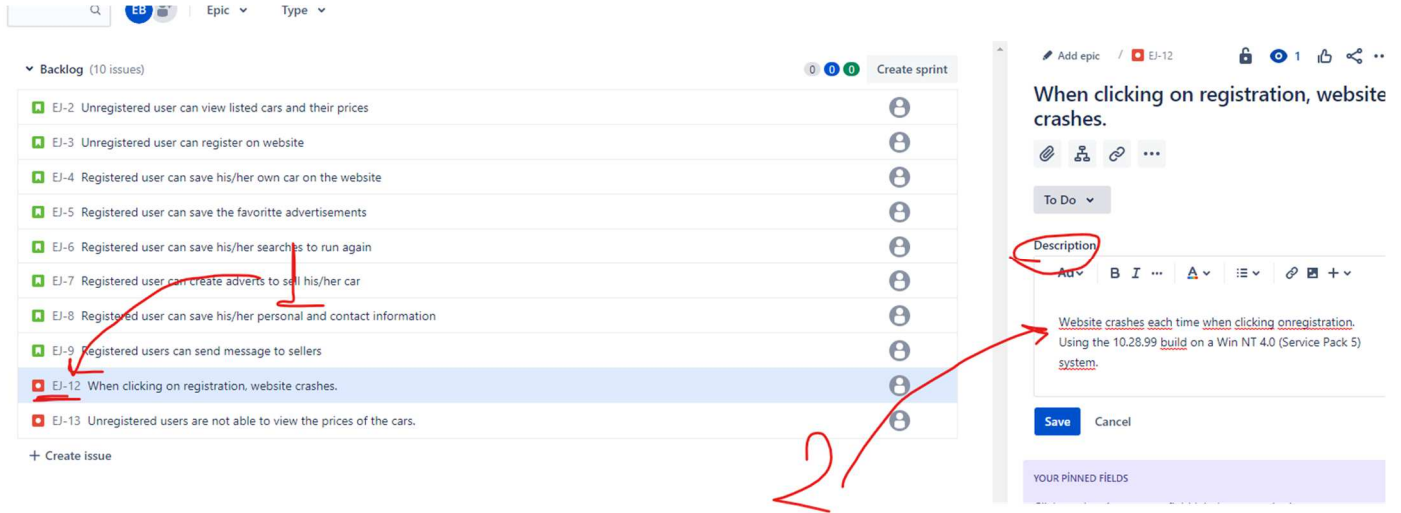

+ Create issue

Handwritten annotations: A red arrow points from the "Backlog" link in the left sidebar to the "Backlog" header in the main content area. A red bracket and the number "2" are drawn next to the list of backlog items.

Şimdi dilerseñiz aynı yöntem ile dilerseñiz de listenin altındaki Create list ile bug ları da oluşturalım.
Alttaki Create daha sonra bug ı seçelim ve gelen kutuya bu descriptionları yazalım

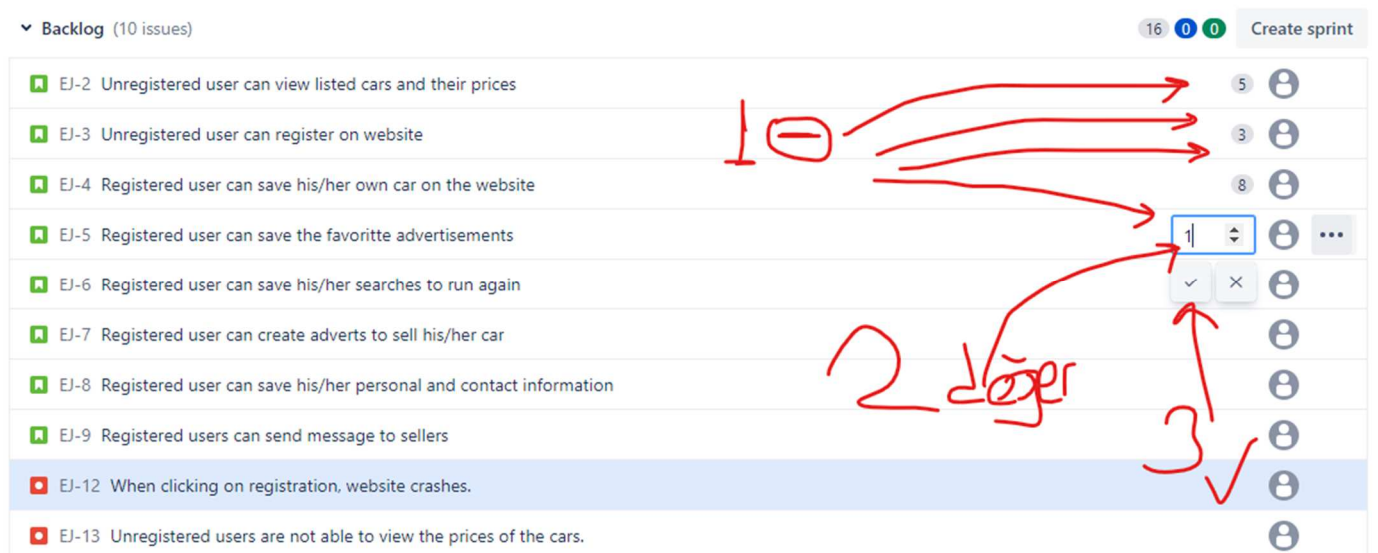

İki tane de bug ımızı listeye girince şimdi bug description ları girelim. Bu yöntem Create etmenin diğerk bir yöntemidir.

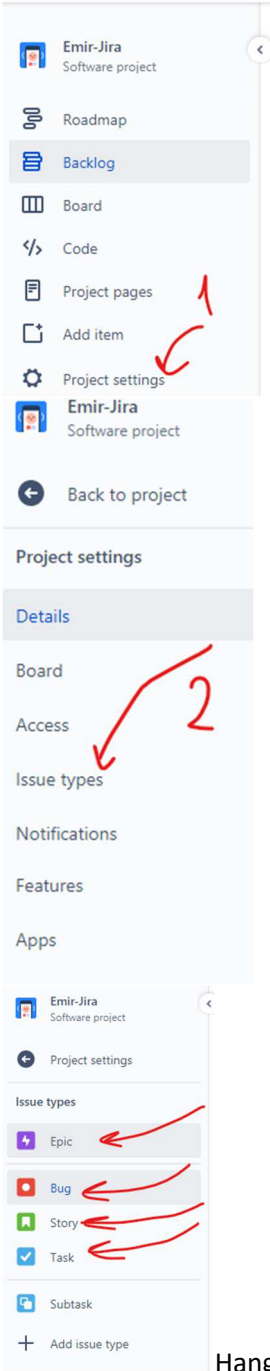

Description ları save etmeyi unutmayın.

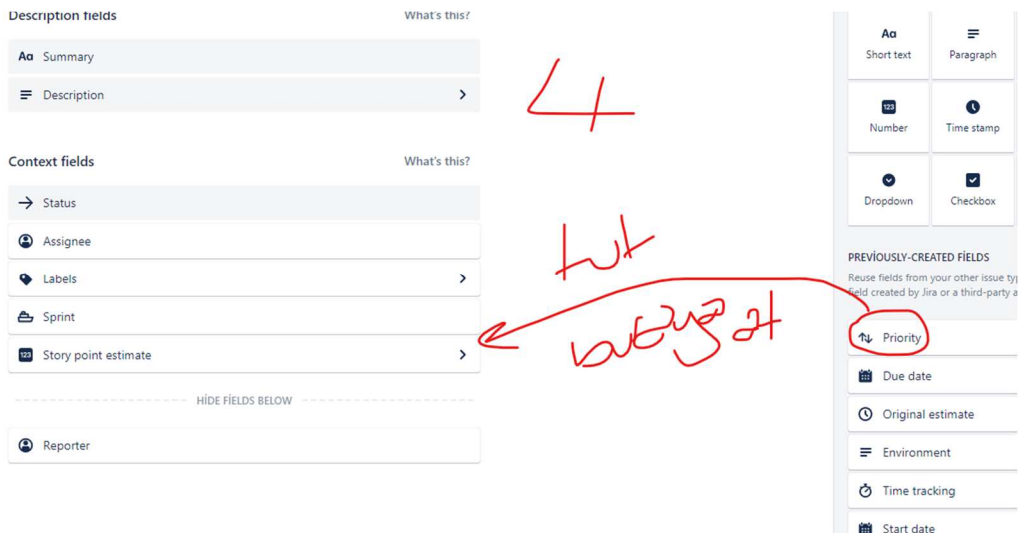

Daha sonra buradaki adını bilmediğim değerkleri gireriz.

Şimdi buradaki değerlerin varsayılan görünümünde şu saçma oklar görünmüyor. Onları getirelim.

Hangisinde o saçma okları göstereceksen onu seç ve daha sonra

Save et ve ana sayfana ger' gel
